WOODBIDGE ELEMENTARY FUNDRAISER

What? Annual fall fundraiser

Where? Woodbridge Elementary School

When? Kickoff Assembly - September 12
Donation Collection - September 12 to 26
Healthy Bodies, Healthy Minds Day - September 27
Bridge Builder Bonanza - October 5
(All events, except donation collection, occur at school during regular school hours)

How? Students will ask their friends and family for monetary donations. These can be collected as cash or check (made payable to the Woodbridge Family Association), or made online. Students will earn their donations by participating in a marathon style event called Healthy Bodies, Healthy Minds. They will have their choice of activities - walking/running, dancing, jumping rope, reading, or playing math games.

DONATION SITE!

Please use the attached envelope for cash or check donations.
Make sure your student's name and teacher are on the envelope.

When making a donation online, the website does not charge us any fees, but does automatically suggest an additional donation to help their own funding. This can easily be changed to zero by selecting "other" as the contribution when confirming your donation.

Note to parents and guardians: Some of you may be asking, why are we changing the fundraiser? Instead of using a host company, the WFA has decided to take on fundraiser by ourselves, so that 100% of the profit will go to the school and students. We also feel it is important for students to earn the donations instead of just ask for them, which is why we are having the marathon event. There will be five activities for students to choose from, so everyone can choose what interests them. Thank you for your continued support!
