

Zeeland Public Schools is committed to mental health awareness through the support of the Mental Health Foundation of West Michigan. Every school in our district has launched the be nice. initiative. At Woodbridge, we are making plans to promote a positive school learning environment. Students will learn the lessons of be nice.: Notice, Invite, Challenge & Empower. While it is a proactive bullying prevention initiative, it goes far beyond that. We are seeking to educate students on the impact their words and actions have on the way others think, act and feel. We have formed a Whole Child Committee of staff and parents along with student be nice. leaders. We look forward to bringing awareness to our students and teach them through lessons. We encourage students and families to show their support by purchasing be nice. shirts.

Ordering t-shirts is not mandatory, but many families have shown interest.

**The short sleeved t-shirts will be light blue or black with the be nice logo.**
