Family Association**

**Woodbridge Family
Association**

WFA is an organization of parents and friends who work together to support the education and well being of our children at Woodbridge Elementary School.

WFA Purpose:

- **Extension of Curriculum**
Zeeland Public Schools is blessed to have a solid financial base for its academic programs. However, many of the extra activities we value that add to curriculum are available only through additional financial support. The WFA provides that support through one major fundraiser in September.
- **Parent Education**
Throughout the school year the WFA invites outside speakers and ZPS staff to attend WFA meetings. Following a short presentation on a topic relevant to parents, speakers are available for questions.
- **Social Events**
Organizations operating as a healthy family include social activities. The WFA provides specific activities designed to give our school families opportunity to meet each other and interact socially as families.
- **Staff Appreciation**
We love our Woodbridge Staff and take several opportunities throughout the year to show them our appreciation.

Frequently Asked Questions:

Who is part of the Woodbridge Family Association?

Every family whose children attend Woodbridge is a member.

What are some of the 'extra activities' the WFA provides?

Field trips, assemblies, science closet materials, playground equipment, and computer lab supplies are a few of the 'extras' provided by the WFA.

How do I get involved?

Sign up online or call any WFA Board Member. Each classroom needs a Family Ambassador!

What is a Family Ambassador?

A Family Ambassador acts as a liaison between their child's teacher and the WFA. Talk to your teacher, provide input at WFA meetings, and help plan WFA events.

Why should I get involved?

Becoming an Ambassador is a great way to support your child and our staff. We want to hear your input and it's fun to get to know other parents and our outstanding staff!
