3rd Grade Reading Legislation

In 2016, Michigan Legislature passed a bill to ensure that all children exiting 3rd grade are proficient in reading. Beginning in the 2019-20 school year, students must show proficiency on the year end state assessment to be promoted to 4th grade. School staff is required to provide ongoing assessment and inform parents of possible student difficulty by creating an IRIP (Individualized Reading Improvement Plan).

ZPS approaches this legislation not as a requirement, rather an opportunity to continue to provide the best possible reading instruction for all students. We are dedicated to using the assessment data gathered to plan for WIN & WIN+ interventions that support student learning. We will continue to partner with parents to ensure success for all.

In-District Transfer

Families who live within the Zeeland district who would like to apply for an in-district transfer to a building other than their assigned boundary school building are asked to fill out an in-district transfer form. This form will be accepted February 1, 2018 until April 6, 2018. Applications received after April 6 will be reviewed at a later date. This form is required for all new in-district transfer requests as well as in-district transfer students entering a transition year (entering grades 6 and 9) in the fall of 2018.
