

Just Take a Xanax:

When medication becomes dangerous

Free Parent Workshop on Emerging Drug Trends

Learn current trends in prescription medication abuse and other drug use among teens, and how to have critical conversations with your teens. The workshop will include a panel discussion featuring local professionals who work with youth.

Tuesday, May 15 | 7:00 pm
Howard Miller Community Center
14 S. Church Street
Zeeland, MI 49464

Registration appreciated but not required:
